## February 14, 2026

### NOW FEATURING

**HA PSI K03I**  
\*20501041

PSI was the top selling bull in the 2021 Hinman Angus bull sale. He is siring thick topped, wide based, and long bodied high-performance sons. His heifer calves are deep ribbed, clean fronted, and have the look we want for our cows. Proudly owned with Hinman Angus

**SPRING COVE FEAT K70**  
\*20409933

A calving ease son out of Sitz Feat 729H. K70 is an outcross for our herd and adds more muscle than most calving ease bulls. Another excellent quality is his great disposition that is passing onto his offspring. Proudly owned with Miller Angus of SD and Spring Cove Angus of ID

**SITZ DYNAMITE 299G**  
\*19462625

Dynamite was our pick of the Stellar sons in the 2020 Sitz Spring sale. We chose him for his excellent foot structure, maternal excellence, and calving ease. He is exceeding our expectations. You will love his calves.

**ELLINGSON PROLIFIC 1290**  
\*20136857

Prolific was the top selling bull in the 2022 Ellingson bull sale. He will sire big, stout, bull calves and deep ribbed moderate females. He seems to be a foot improver and his calves flat out push the scales at weaning time.

*Selling 60 Fall Yearling and 10 Spring Yearling Bulls. Also, 10 Bred Heifers*
